

More Financial Stability

The Social Security Administration and the beneficiary are updated on expenses paid and the use of benefits received, as well as amount of any benefits saved for the beneficiary.

More Housing Stability

By making direct payments to landlords & utility companies in a timely manner, participants are better protected against eviction, homelessness, late fees, utility disconnection and reconnects.

The Mission Statement

The essential commitment of the Wayne Township Trustee's Office is to provide prompt, necessary relief to eligible citizens and residents of our community.

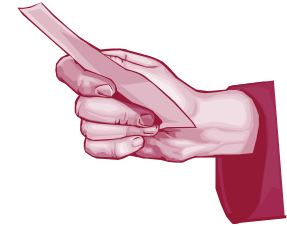

It is dedicated to the important role of providing temporary emergency assistance to those whose personal efforts have not enabled them to meet life's challenges on their own.

The Trustee's office is keenly aware of it's many roles. The office is a community leader in countering the effects of the cycles of poverty. While, maintaining careful guardianship of the taxpayers' resources.

In performing these roles, the Trustee's office is dedicated to forming strong working relationships with community resources that share it's advocacy of providing the knowledge, the means, and above all else, the commitment of enriching the lives of all the citizens of this Township.

Bringing this Payee Program to the citizens is an exciting event for Wayne Township. Our mission is to provide the best possible services to the people who are unable to provide for their basic needs, while protecting taxpayers resources. We are very proud to provide this program, as it accomplishes just that.

Wayne Township Trustee's Representative Payee Program

In an effort to further serve the citizens of Wayne Township, the Payee Program was implemented in January 2001.

This **free** program ensures that the current needs of social security beneficiary's are met on a monthly basis. This includes food, shelter, medical care and other items for the beneficiary's personal comfort. If any money is left after meeting day-to-day and personal needs, it is saved.

Social Security benefits are directly deposited into a bank account. This method is safe and secure.
